SUPPLEMENTAL INVENTION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §§1.97 and 1.98, a list of references is submitted on the enclosed Form PTO/SB/08a for consideration by the Examiner in the examination of the above-identified patent application. Copies of foreign patent documents are enclosed herewith. Attached to each reference not in the English language is a concise explanation in the form of an English language translation of the Abstract of each such reference. Pursuant to the PTO's waiver of the requirement to provide copies of cited US Patents, copies of the US Patents listed are not provided.

The full consideration of the references in their entirety by the Examiner is respectfully requested and encouraged. Also, it is respectfully requested that the references be entered into the record of the present application and that the Examiner place his or her initials in the appropriate area on the enclosed Form PTO/SB/08a, thereby indicating the Examiner's consideration of each of the references.

The submission of the references listed on the Form PTO/SB/08a is for the purpose of providing a complete record and is not a concession that the references listed thereon are prior art to the invention claimed in the patent application. The right is expressly reserved to establish an invention date earlier than the above-identified filing date in order to remove any reference submitted herewith as prior art, should it be deemed appropriate to do so.

Further, the submission of the list of references is not to be taken as a concession that any reference represents art that is relevant or analogous to the claimed invention. Accordingly, the right to argue that any reference is not properly within the scope of prior art relevant to an examination of the claims in the above-identified application is also expressly reserved.

The Commissioner of Patents is hereby authorized to charge the IDS fee in the amount of \$180.00 under 37 C.F.R. §1.17(p), as well as any additional fees that may be required in connection with the filing of this paper, to Deposit Account No. 03-2270. A duplicate copy of this communication is enclosed for that purpose.

Dated: February 16, 2005

Respectfully submitted,
